

## Getting support for multiple myeloma

It's important to find the right support at each point along your journey with multiple myeloma. Use the resources below to help you get the information and assistance you need.

### Celgene resources and support

Through **Celgene Patient Support**<sup>®</sup>, you may be eligible for assistance with access to treatment if you have insurance and meet certain eligibility criteria or do not have insurance. These services include benefits investigations, co-pay assistance or free drug to those who qualify, as well as appeals support **1-800-931-8691** [www.CelgenePatientSupport.com](http://www.CelgenePatientSupport.com)

**The Celgene Customer Care Center** can help you complete the brief patient survey that is required before you receive your medicine or address any questions you have about our products **1-888-423-5436**
